

SPEAKEASY DSL SERVICE

Speakeasy DSL is a broadband solution for businesses needing high-performance connectivity and reliability.

Our DSL services give you speeds up to 15 Mbps with secure and reliable connectivity. Count on our nationwide, multi-redundant, private-fiber network to deliver enhanced privacy and security with options to guarantee uptime. We offer four different DSL choices for a variety of speeds and packages to meet the unique needs of your business.

ADSL: Allows information to flow asymmetrically up to 6 Mbps / 768 Kbps for quicker email delivery and file downloading.

OneLink™ ADSL: Gives you the speed, reliability, and throughput of ADSL without phone service from a local phone company (dedicated line).

OneLink ADSL2: Supplies all the advantages of a dedicated data line service with speeds up to 15 Mbps / 1 Mbps.

SDSL: A dedicated line service that offers a symmetrical data transfer rate, typically up to 1.5 Mbps with guaranteed 99.9% uptime and 24-hour Mean Time To Repair (MTTR).

BENEFITS AT A GLANCE

Nationwide Coverage

Our custom-built, high-performance fiber network supports your business in 120 major metropolitan markets.

Unmatched Security

A carefully managed, private network with enhanced privacy and security features for telecommuters and remote users.

Service Level Agreement Guarantee

Speakeasy's robust SLA guarantees deliver confidence and peace of mind.

24/7/365 Support

Our most experienced agents are on call and own any issue from start-to-resolution.

“Who doesn’t know about Speakeasy? With our time-sensitive production schedule and the enormous files we handle, we need the reliability Speakeasy delivers. It’s a good value for the money, and you can’t beat the customer service.”

Robert Khoo – Director of Business Development, Penny Arcade
